Green Kodoli Campaign

Increasing pollution, increasing effects of pollution human health problems caused unsanitary environment and water have become severe issues nowadays. with the aim of destroying the pollution which is the root of everything and maintaining the balance of the environment "Green Kodoli Campaign" was organised. This programme was implemented on 25 May 2019 in which various responsibilities of tree plantation and tree conservation were carried out. The programme was implemented on the occasion of the second memorial anniversary of late Yashwant Eknath Patil (Dada), the founder of the organization. Various types of serious problems have arisen. Since it has become very necessary to plant trees for the environment, the initiative was taken to plant and conserve 1000 trees. The programme Green Kodoli Abhiyan was completed with the cooperation of all. 1000 trees were planted in the area of Shivaji Chowk, Narsoba Mandir, BAMS College, Dattamati Ground, in the area of Kodoli and the surrounding environment. Shikshan prasarak Mandal Kodoli jointly participated in this activity, trees were planted on both sides of the road and tree guards were arranged as protection for the planted trees.

Run For Water Conservation Awareness (Men-Women)

Water has become a serious problem, untimely rainfall and wastage of water by the citizens are the main reasons behind this problem, so it is necessary to plan the use of water. Considering this, State Level Marathon (Run for Water Conservation Awareness - Women & Men) was held on 17th December 2018 at 8 AM on the occasion of 5th Jayanti and with the approval of Kolhapur District Athletics Association. Players from colleges and institutes participated in this competition. Also, prize money was given to the participants who participated in this competition and got the number. Through this scheme, this program was conducted with the aim that all the citizens of the area and also the trainee students should understand the importance of water saving and know the ways to save water. The accommodation and meals of the contestants coming for the competition were arranged at Yashwant Ayurvedic College, Kodoli. The college and the institution tried well to spray the awareness to save water.
